

THANK YOU FOR VISITING OUR ONLINE GIVING PORTAL

Making a donation online, using a credit card or e-check, is convenient and safe. Click on the "GIVE ONLINE" button on the home page of our website to make a one-time contribution or set-up recurring gifts. Light of the Hill utilizes well known and trusted Vanco processing, developed specifically for non-profit organizations. Contributions are processed on their secure site and the church never needs access to your banking or credit card information.

Once you enter the Vanco portal, you will have the option to contribute to the work of the church in various ways. For a one time gift, simply enter the amount(s) you wish to donate, then 'continue' and follow the instructions. If you expect to use the online giving portal more than once, save time in the future by 'Creating Your Online Profile'. Then when you return you can simply enter you username and password. This online profile is also usable on the 'GivePlus Church' App which can be downloaded to most devices through the Apple or Google stores.

After clicking on the 'Give Online" tab, a list of possible contribution categories allows you to direct your gift. Possibilities include **General Fund**, to give toward the operating expenses of our ministry, **Media Project Fund, Youth & Children's Activities**, and a few of our **Mission/Service Projects**. You may enter amounts in as many categories as you would like. **To set up automatically recurring gifts to the funds of your choice you must have created your online profile.**

Please note that you are sharing your credit card or bank information with Vanco, not the church. Vanco provides a secure repository for this information that far exceeds the ability of the church to protect your ID. The church never receives your credit card information. We pay Vanco a small fee for each transaction for this convenience and security. **Please consider checking the box that will allow you to cover the cost of the fee (approx. 2.75%).**

Once your payment is complete, you will be emailed a receipt from Vanco if you provide your email address. Light of the Hill will also include your online gift on your giving record at the end of the year. Either receipt may be used for your tax reporting purposes.

Thank you for supporting the amazing ministries of Light of the Hill!
