June 25-29 Down on the Farm

Where does our food come from? Children will have fun learning about the array of food and animals raised on a farm.

July 23-27 It's a Bug's Life

Kids are fascinated with creepy crawlers....but are they so creepy? We'll have fun exploring bugs and their environment in which they live, and why they are beneficial.

July 30-Aug 3 Music

Music is everywhere. Children will discover a variety of musical instruments and the sounds they make. Some are large, others are small. Some sound high and some sound low. Even our own bodies can make music - singing, clapping, etc.

August 13-17 Once Upon a Time

Children love to listen to and tell stories. Children will explore stories from around the world and discover the art of storytelling in creative, fun ways.
